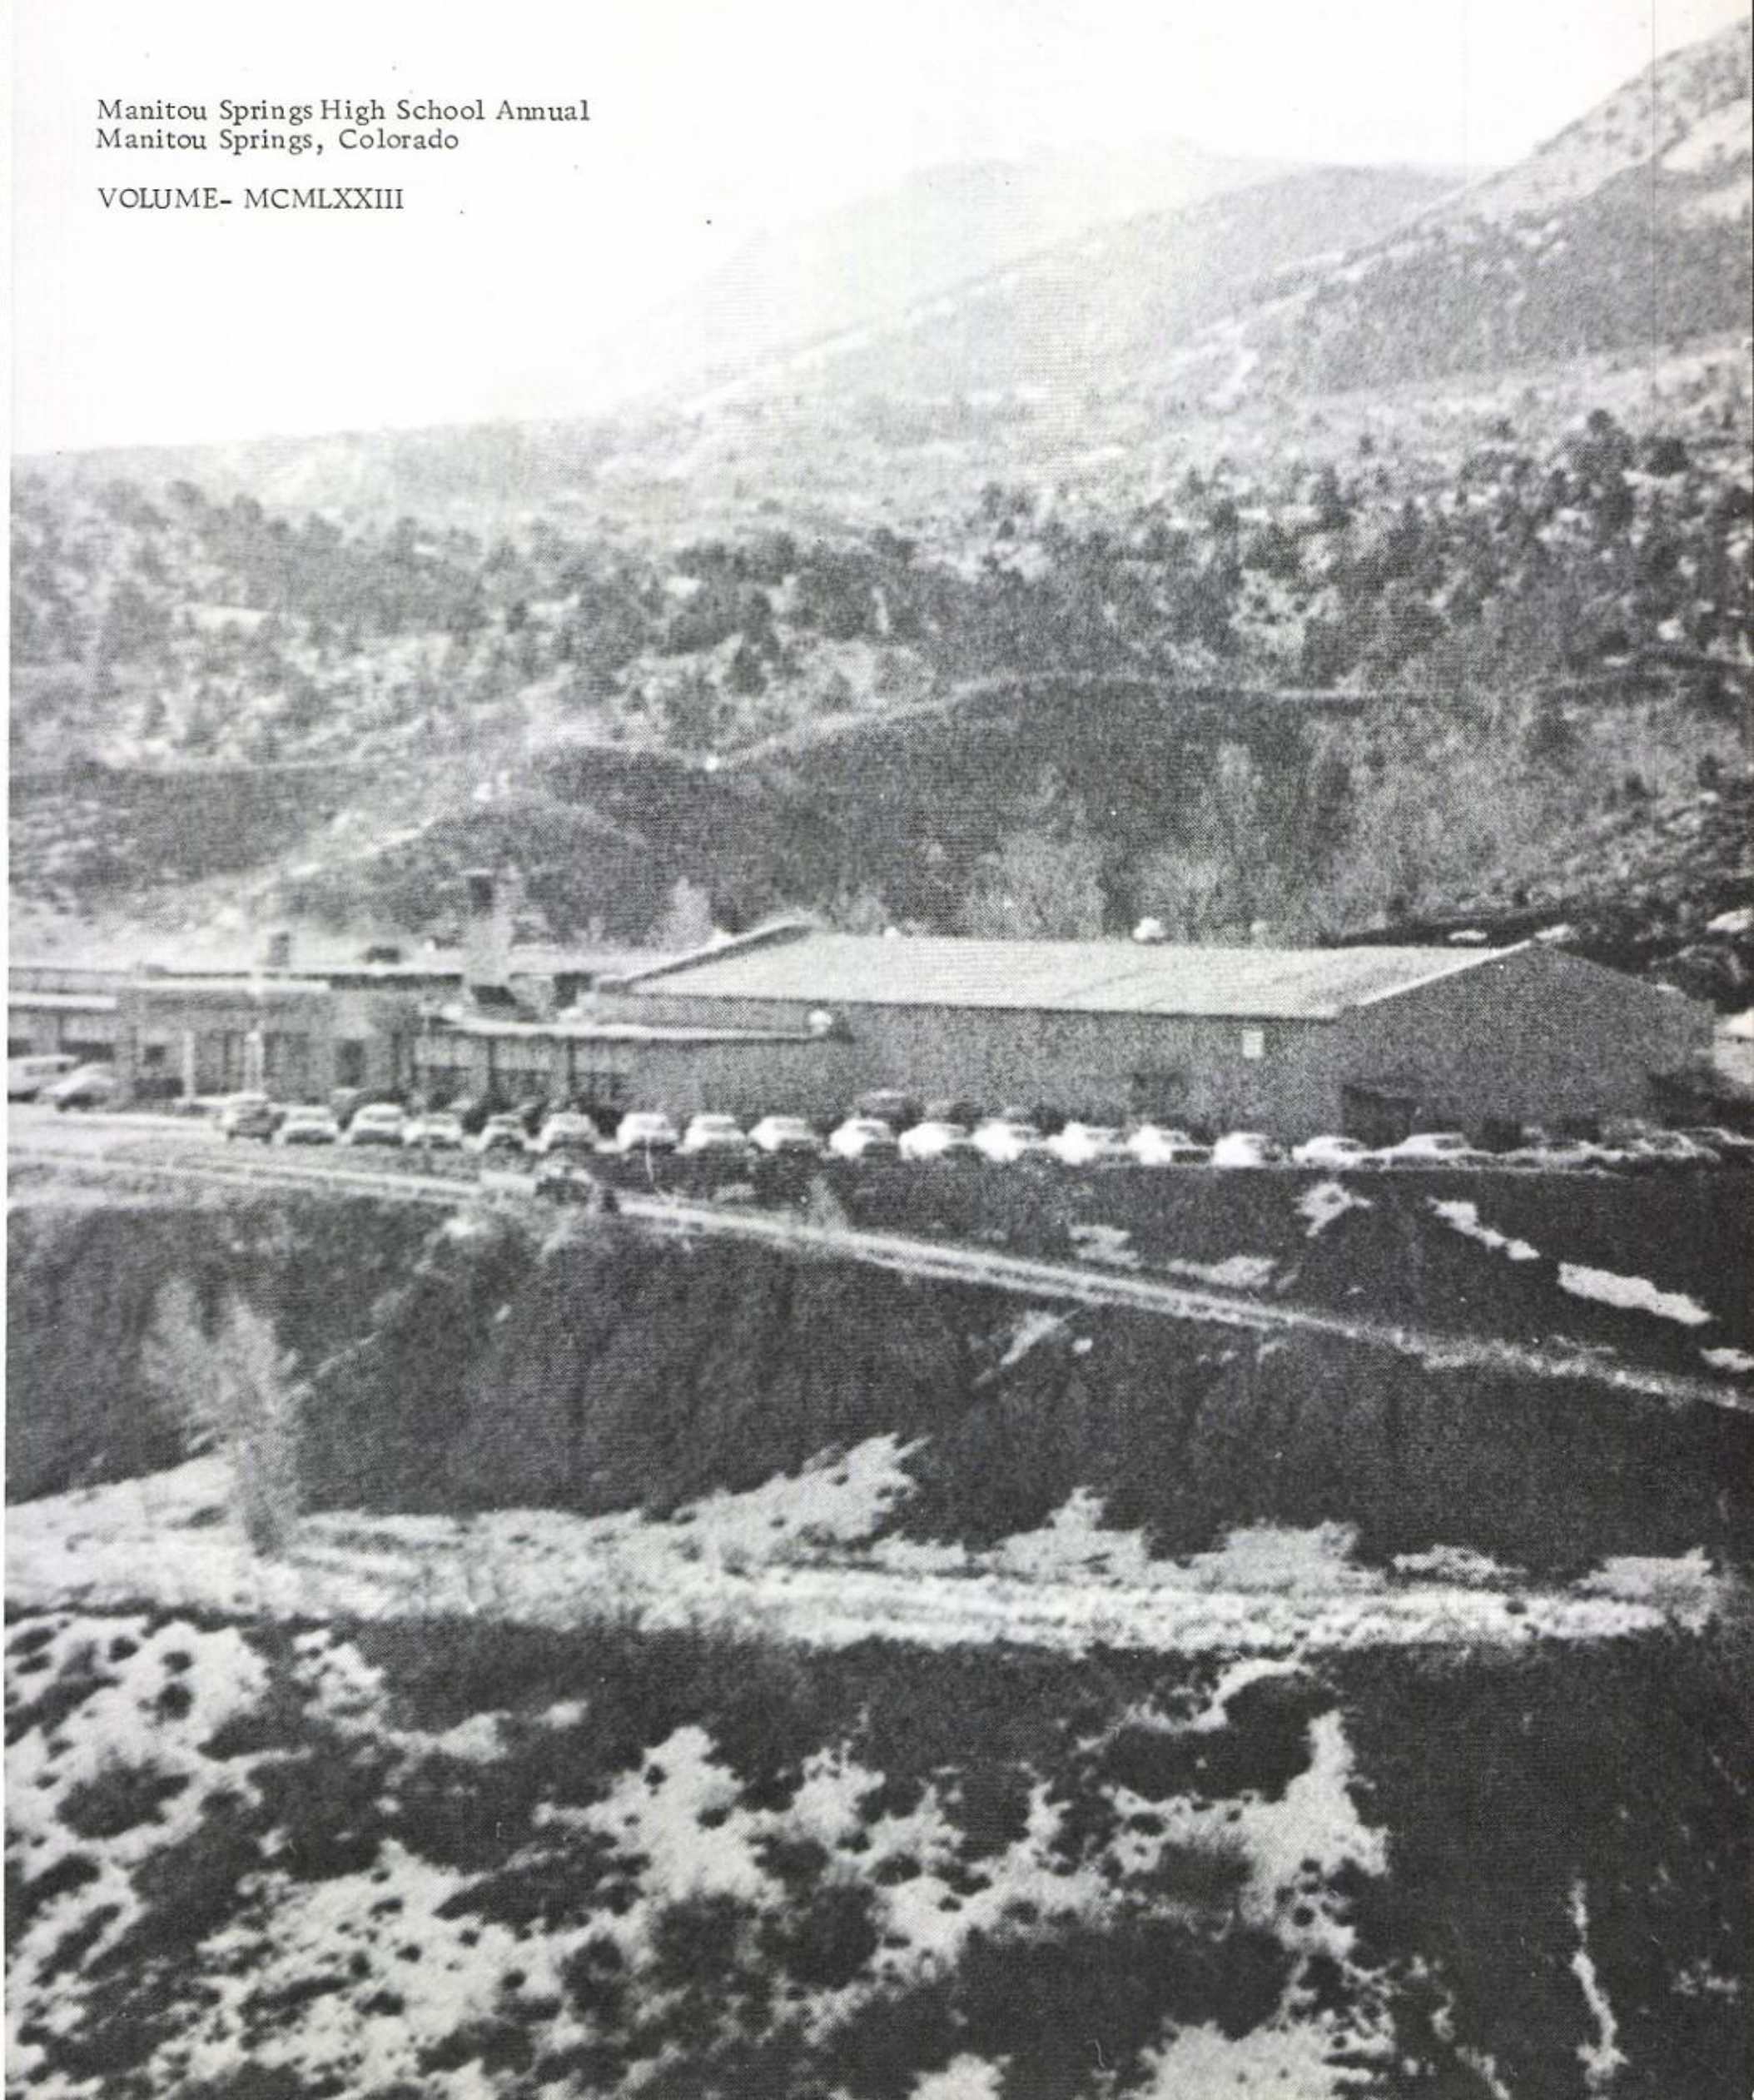
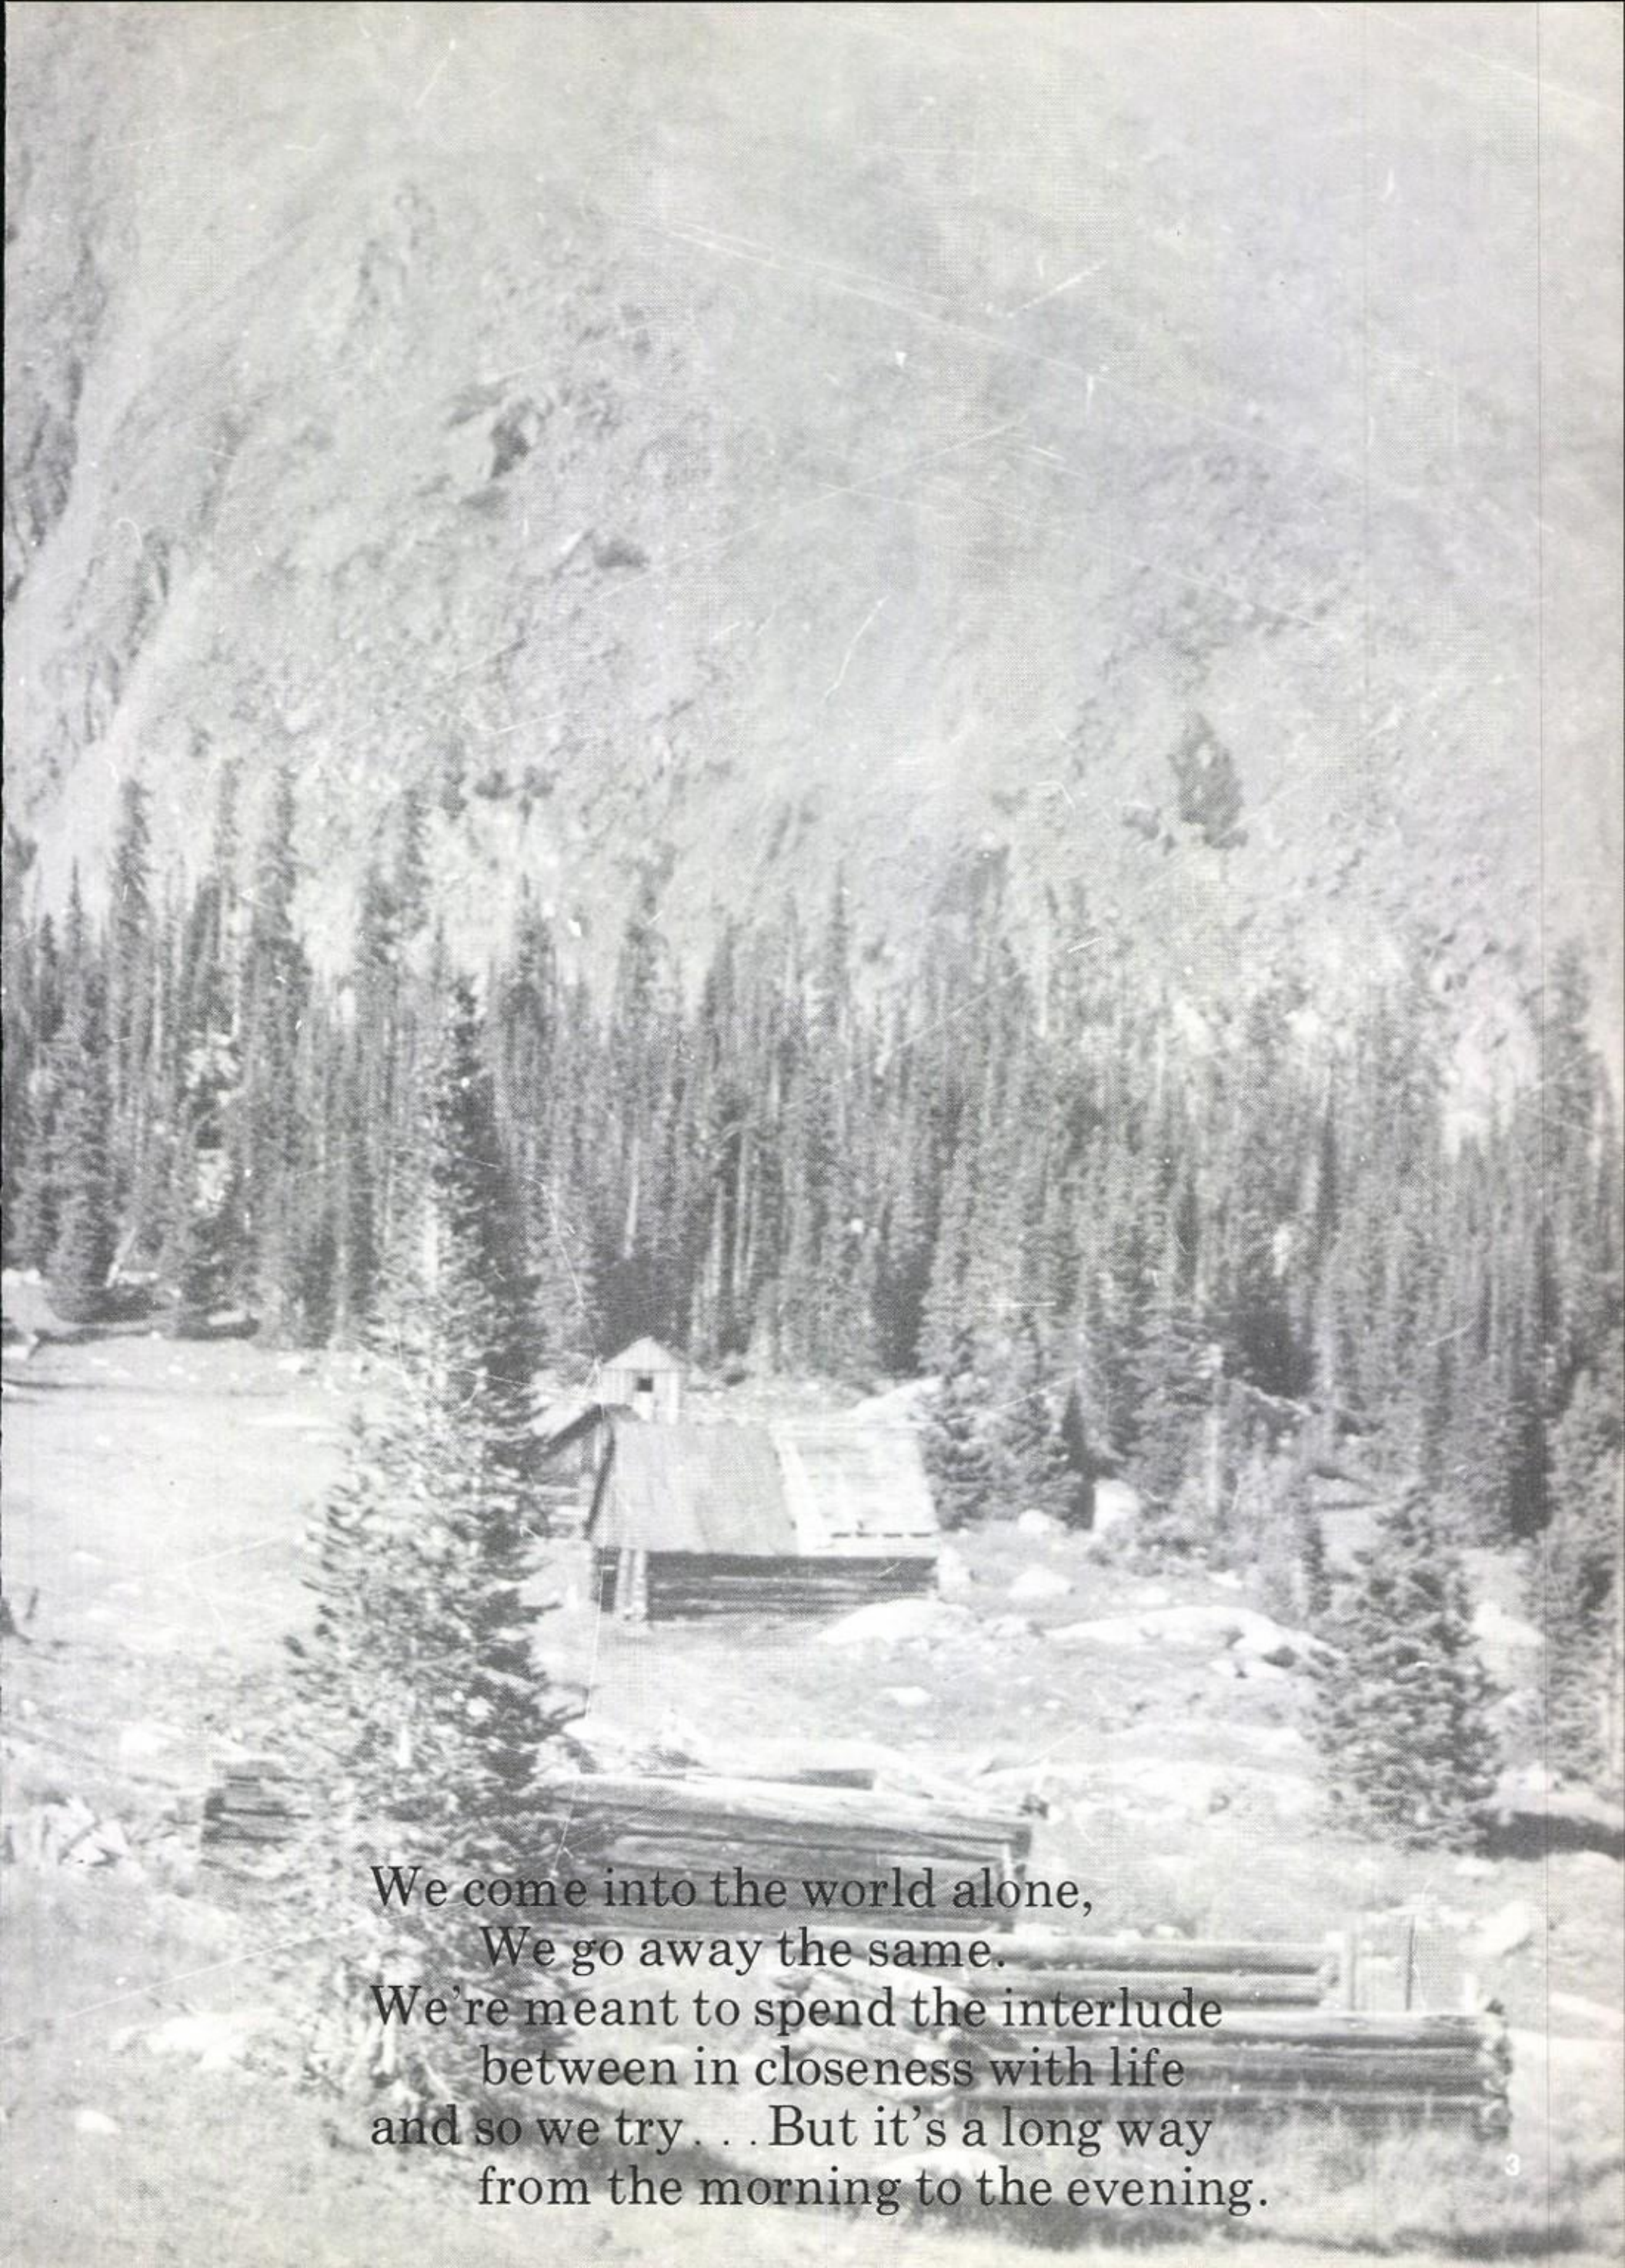
Manitou Springs High School Annual
Manitou Springs, Colorado

VOLUME- MCMLXXIII





We come into the world alone,
We go away the same.
We're meant to spend the interlude
between in closeness with life
and so we try . . . But it's a long way
from the morning to the evening.

Whether we look
or whether we listen
We hear life murmer
or see it glisten

Life was meant to be
lived, and awareness
must be kept alive.
One must never, for
whatever reason turn
his back on life

We dedicate this book to
the "awareness of life" and
all its glories; and to
the idea that life was
meant to be lived to
its fullest.

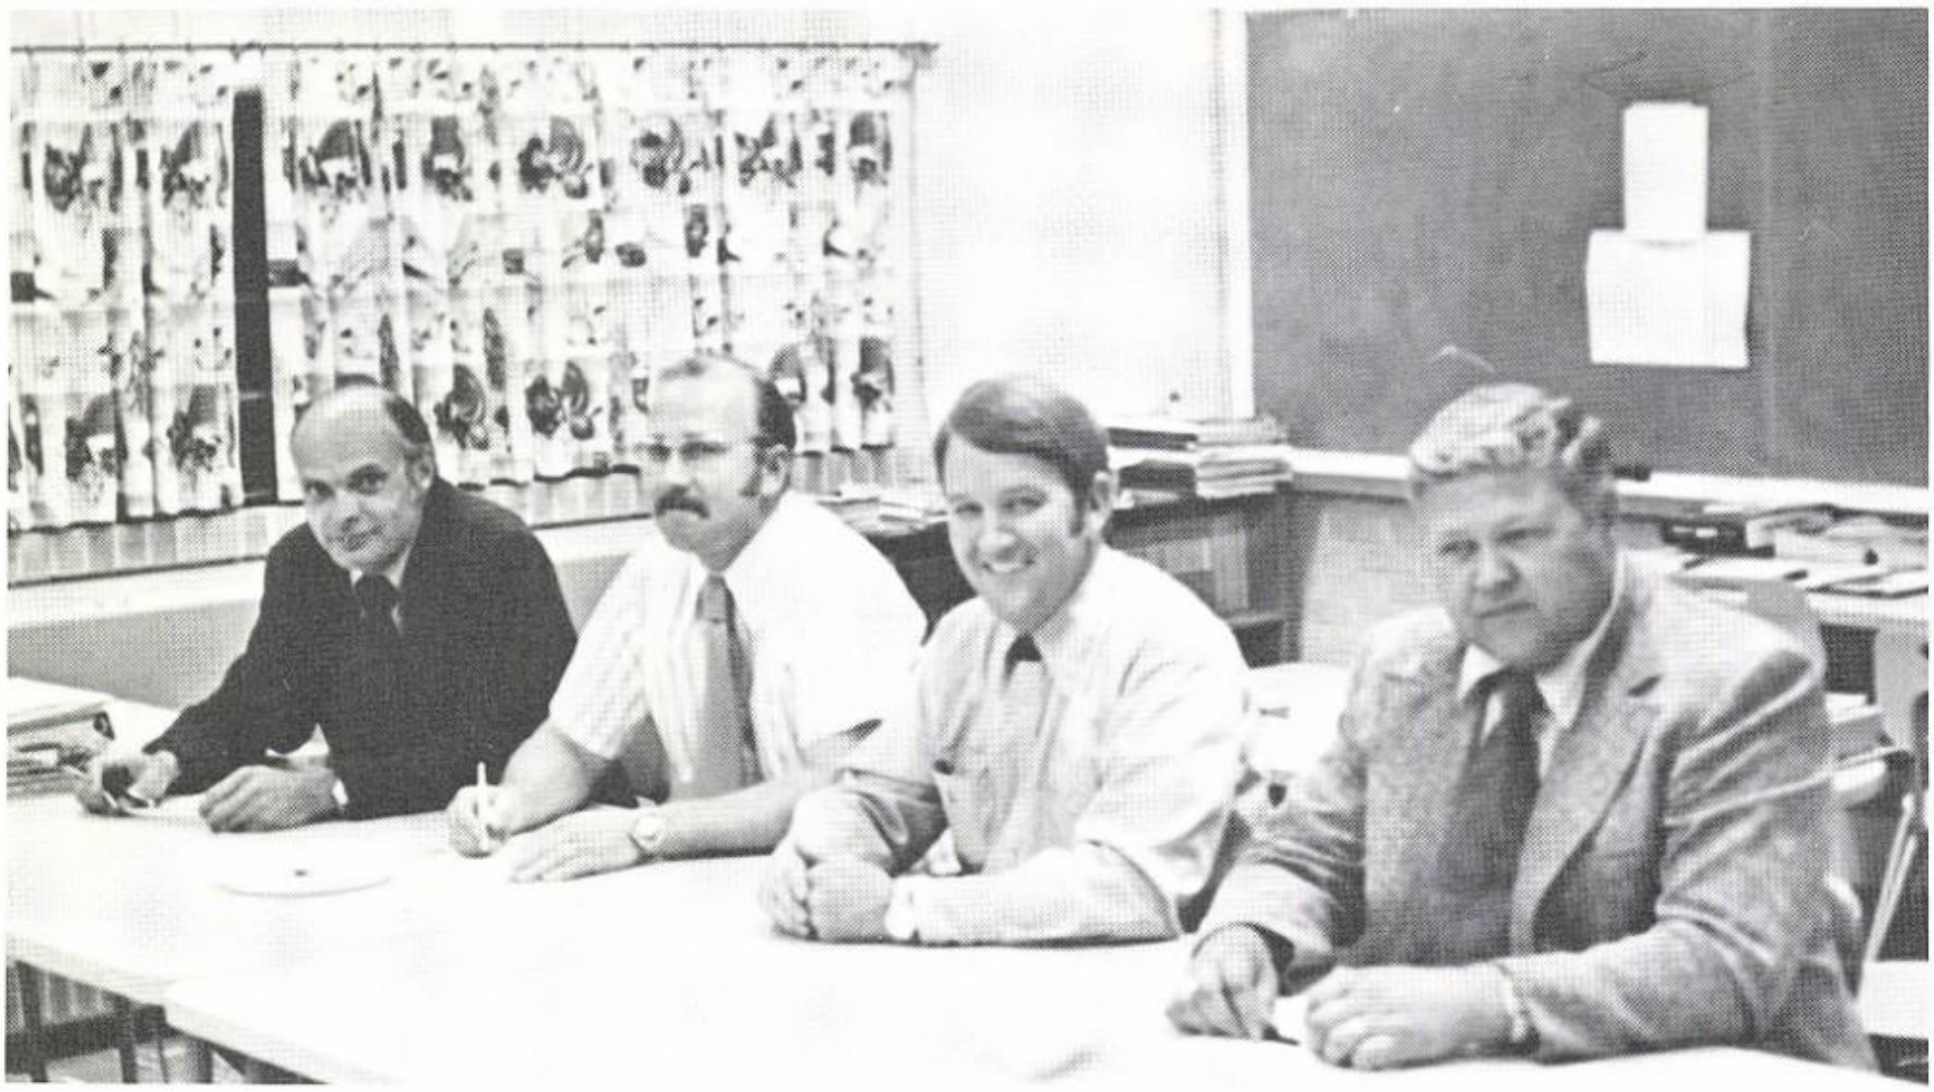
BOARD OF EDUCATION



LEFT TO RIGHT; John Konselman - Asst. Secretary, Verne Witham - President, Nick Sanborn, Jr. - Vice President, C. Ray Tryon - Secretary. NOT PICTURED - Malcom Conn - Treasurer

The School Board of Manitou Springs meets on the first Monday of every month in room 16 at the High School.

The Board is responsible for all the major operations of all schools in district number 14.

Teaching contracts, teacher's and staff's salaries, classroom equipment, and all capital expenditures are a few of the many decisions that have to be made by the board. They have to vote on all matters.

In short, they are the governing body for district number 14 and have the final say on major matters.

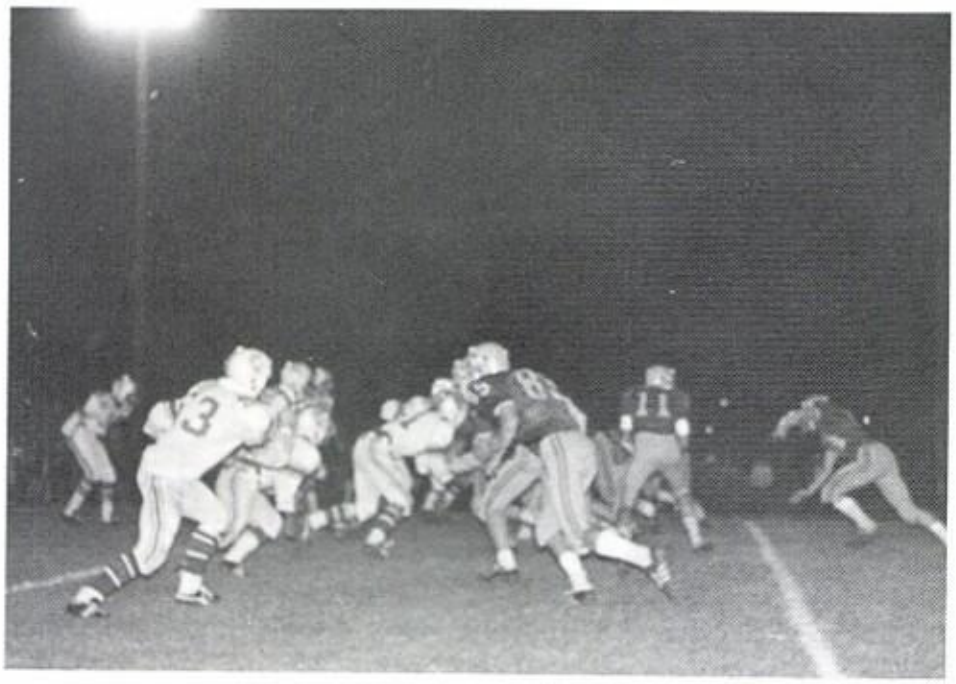
Manitou Springs Slips by Fountain in League Opener



By RON BONTRAGEN

Manitou Springs came out on the winning end of a 19-16 Pikes Peak League football game Friday night at Manitou Stadium by besting Fountain in a game that saw the lead change hands five times.

They won the big one and we're very proud of them," said Rykovich, tabbed last year by the KT-KRDO as coach of the year. He and assistant coach Al Porter were carried up to the locker room on the players shoulders. The players had already went to the dressing room but came back to show the coaches how proud they were.

Manitou athletic director Bill Phelps believeed that it was the first time Manitou had beaten the Trojans since 1957. "They played for themselves," commented Mustang mentor George Rykovich.

The final tally for Manitou was set up on a 31 yard run by Dave Jordan. The trap play up the middle went to the ten. King carried for two with Jordan carrying for seven more for a third down at the one.

King went up the middle on the next play, followed by Ed Phelps' PAT kick that gave Manitou a three point lead with 1:37 left in the game.

A touchdown with less than two minutes to play spelled the difference in the game as Dave King, substituting for injured Tony Johnson, carried from one yard out to put the Mustangs ahead to stay.

Trying to come back, Fountain tried three passes, the third, a desperation heave, was picked off by Gary Brown with :52 left that clinced the ballgame.

"AA" STATE CHAMPS

How sweet it is!

The trip to state was an honor for everyone. The entire town pulled together in a united effort to bring home the trophy. As the excitement mounted, the pressure really fell on Coach and the team in an overtime against Hotchkiss. With Bob Johnson giving us the winning point, we were on our way to the Championship game. There was no stopping the Mustangs as they reached the second overtime of the tourney against Platte Valley. We HAD to have that first place trophy! And, thanks to the Mustangs, it became ours.

An honored greatly earned, Coach Willie was awarded "Coach of the Year."
